2010 BUSINESS LICENSE

The Town of Green Mountain Falls requires that businesses either physically housed **or** providing services to **or** soliciting services to **or** operating a home occupation business **or** a property management business within the Town of Green Mountain Falls obtain an annual Green Mountain Falls business license.

Enclosed please find an application form for the year 2010 license. The license fee is \$50.00. Please fill out the application form and either mail it in with your check or come into the Town Hall to obtain a 2010 license. Include a copy of your general liability insurance form with the application or fax it to us.

Failure to obtain a license while doing business within the Town limits would result in the work in progress being suspended and an issuance of a summons to court and subsequent fine. The Town Hall is open on Monday, Tuesday, Thursday and Friday from 8:30 a.m. to 5:00 p.m. The office is closed on Wednesdays.

Note to contractors and/or sub-contractors: The Town collects a 3% construction tax for materials only, not labor for permit (Regional Permit Department) work. Before going to the Regional Building Department, the contractor or property owner would need to obtain a letter from the Town Hall on any structural: to include roofing and siding, electrical, gas, heating or plumbing work. A building permit will not be issued without the letter. All sub-contractors must have a Business License with the Town.

We look forward to hearing from you. Thank you for your cooperation.

Sincerely,

Chris Frandina
Municipal Clerk/Treasurer
